Economy Car Rental Counter Insurance Coverages & Rates

Required Insurance:

- Physical Damage: Up to the full value of the vehicle being rented.
- Liability Limits: 100,000/300,000/100,000.

If the renter cannot provide these coverages, the renter may purchase the following coverage from the rental counter.

With respect to Supplemental Liability Insurance (SLI) and Supplemental Physical Damage (SPD) Coverage, any insurance provided by the renter is primary. The Renter's Contingent Liability Insurance (RCLI) is a first-dollar payor with respect to Minimum State Financial Required Liability Insurance and prior to the personal auto insurance.

Renter's Contingent Liability Insurance (RCLI)

Provides the State Minimum Financial Responsibility (SMFR) limits for liability insurance in the jurisdiction in which an accident occurs. This coverage will be considered the renter's primary coverage in the event the renter has no available coverage.

Minimum Financial Responsibility Limit: Statutory

Option	Coverage	Price (Per Day)
Option 1	PP vehicles with 8 or fewer passengers Includes \$2,500 deductible	\$24.99
Option 2	PP vehicles with 8 or more passengers Includes \$2,500 deductible	\$29.99

Supplemental Liability Insurance (SLI)

Provides an increase in the liability limits from at least the SMFR limits up to a combined maximum limit of \$500,000 for Bodily Injury and \$10,000 for Property Damage (included in the BI Limit). The SLI policy is excess of any valid and collectible insurances providing coverage to the renter.

Additional Notes

- Many credit cards will cover \$50,000 of Physical Damage coverage for a rented car.
- In the event of a claim, the renter's credit card (if coverage is available) will cover the deductible, and the Supplemental coverage we offer will pay for claims up to the Coverage Maximum, above the deductible.
- We do not need to take a \$25,000 deposit from the renter; however, we recommend taking a deposit of a minimum of 2,500 for 75,001+ Coverage
- Rates are subject to change but are typically fixed for the one-year policy term.
